The AnnieRuth Foundation's 2021 Summer Internship Program

Attention High School Students!

The AnnieRuth Foundation's Summer Internship Program provides a safe, professional environment for high school students to develop personal, academic and workforce development skills. Participants interact with community leaders, learn from experts in various career fields, are mentored and earn money for their future.

Award recipients earn a salary while interning.

Program Requirements

- Attends school in Duval or surrounding counties
- Is currently a high school Sophomore or Junior
- Maintains a 2.0 or better GPA
- Submits an 'original' 1,000 word essay
- Attends monthly business seminars (virtually and/or in Duval county)

APPLY ON-LINE: May 1, 2020

Sowing seeds, strengthening communities
