SADIE T. TILLIS ELEMENTARY SCHOOL

Academy of Math,
Science & Technology

An Emphasis On Academics

Sadie Tillis has been awarded by the Florida Department of Education as a Title I Distinguished School Award..

An Accent On The STEAM!

Sadie Tillis Elementary School's Science (S), Technology (TE), Arts (A), and Math (M) was launched with the 2014-2015 school year!

Our School Choice Program provides opportunities for all students to prepare themselves for College or Career by participating in science labs, daily access to computers and other technology and learn conceptual math strategies using hands-on activities through manipulatives and engaging lessons. The school offers a well-rounded, modern program that integrates technology into the daily curriculum.

School Choice Program Structure

SCIENCE: 5th grade students participate daily in science labs in a full science lab. Kindergarten– 4th grade students participate in labs as well too.

MATH: Sadie Tillis Elementary students participate in daily math lessons based around the conceptual framework of the Florida Standards . Supplemental math programs include Everyday Math Counts, I-Ready Math and Reflex Math

TECHNOLOGY: Not only is technology infused in the daily curriculum activities, but Sadie Tillis has a full technology lab with 30 computers. Our school is wireless and has had recent upgrades to bandwidth.

Team UP!

Mission Statement

To create a place where neighborhood, school and community resources “TEAM UP” to positively impact students, their families and the surrounding neighborhood.

Vision

To make Jacksonville one of the best cities in the country for providing fun, smart after school. programs that contribute to improving youth outcomes.
