AICE students will be scheduled into enough AICE courses to continue working towards earning the AICE diploma. This is an expectation of all students in the AICE program. \* Semester Course

\*\*AICE Global Perspectives is a mandatory graduation requirement. ~application/permission required

Courses beginning with 3 letters are Dual Enrollment classes and have special requirements per FSCJ, EWC, and ERAU.

Students enrolled in FSCJ DE courses must be enrolled in SLS1103 during the 2021-2022 school year if they have not already completed the course. FSCJ DE classes require college ready scores (w/exception of SLS) and a 3.0 unweighted GPA.
