

Dear Parents,

The overarching goal of Duval County Public Schools (DCPS) is to improve the academic achievement of all students within our school community. To meet this goal, we will be offering numerous summer learning programs. In an effort to support students, a range of programs from credit/reading recovery to enrichment will be available to assist with addressing the whole child. For your review, all summer offerings are listed below and additional details will be provided by your child's school.

Due to the change in summer learning opportunities, I encourage you to conference with your child's teacher to determine their current academic status and what additional assistance is needed. On the reverse side of this communication, you will find the selected sites for summer learning in DCPS. If you should have any questions pertaining to summer programming, please contact the personnel as identified in the chart above.

Thank you for your continued support,

Nikolai P. Vitti
Superintendent of Schools
