

Teacher Quick Start Guide

> Register Your Instructor Account

- Go to www.everfi.com/login and click **Register** on the right hand side of the page.
- Click **Teacher** and enter your **state**.
- Search for your school name. Then click **Next** (Can't find it? Click "**Can't find your school?**")
- Complete your profile and select your desired course from the dropdown menu.
- Agree to the **Terms of Service**, click **Next**, and you'll see the EverFi Dashboard!
- **If you already have an account, go to www.everfi.com/login and click **Login****

> Set Up Classes/Student Registration Codes

- Find the course you want to use and click **Create Class**.
- Enter the class name (e.g. Period 1 – Grade 8) and all additional information.
- A class registration code will automatically generate, save under **Classes & Codes**, and be emailed to you. You'll need this code for the next step.
- Repeat this for all of your classes.

> Help Students Self Register

- Students visit www.everfi.com/login, click **Register** and then click **Student/Learner**.
- Students enter class registration code you created and click **Next**.
 - Student usernames must be unique.
 - Student email addresses are NOT required.
 - Students must **Agree to the Terms of Service** before they can click **Next**.
- Click **Finished**, and get started!

Students can enroll in multiple courses by entering additional codes in the **Add a Course** box on the upper right corner of their dashboards and clicking **Add**. Students must re-enter their birthday before clicking **Next**.

If you have questions, please contact your local Schools Manager:
