## On-Campus Parking Rules

All students who receive a parking permit must adhere to the following:

1. You must have your decal hanging visibly on your rearview mirror, park in your assigned parking lot, and park in your assigned parking space or you could be towed at the owner's expense.
2. If you drive a secondary vehicle that you have registered, transfer your decal to the rearview mirror.
3. If you have lost your decal, immediately notify student services to receive a replacement (\$5.00) or temporary permission to park on campus or you could be towed at the owner's expense.
4. Loitering in the parking lot before or after school is not permitted. When the bell rings, you must leave school grounds unless you are attending a school-sponsored activity.
5. You may not go to your vehicle during school hours. Take your books, lunch, projects, etc. with you when you leave your vehicle in the morning. If you need to go to your car, you must go through Student Services and obtain a pass.
6. Terry Parker administration and the SRO have the authority to search any car parked on campus when a probable cause has been determined (i.e., drugs, weapons, and alcohol).
7. Cars parked on campus without a permit will be towed at the owner's expense.

In accordance with DCPS Student Code of Conduct, upon reasonable suspicion, student lockers and other storage areas (including, but not limited to, **MOTOR VEHICLES**, book bags, pocketbooks, notebooks, pockets, personal electronic devices, etc.) may be searched. Additionally, school personnel will conduct random searches for reasonable suspicion.

I have read, understood and agree to abide by the On-Campus Parking Rules. I realize that failure to comply to these rules could result in the towing of my vehicle, suspension or revocation of the parking privileges.
