

Driver Vehicle Training

I _____ acknowledge that I have been trained on how to do the below procedures on the vehicle I drive.

1. Check the tires for air/ and to see if they are worn and low on tread.
2. Check to see if the lights on the truck are working.
3. The oil level is where it should be on the oil stick.
4. How to check the emergency brake.
5. How to operate the lift gate.
6. How to check the radiator fluid level
7. How to check the brake fluid level.
8. I acknowledge that this needs to be done on a weekly basis.
9. Checking for dents/ dings or tears on the vehicle.

I am aware that in the event of any accident or incident I am responsible for notifying management of the details of what happened on the same day it occurred.
