AUGUST 14: FIRST DAY OF SCHOOL

Make sure to bring plenty of water! While we try to stay inside during the hottest parts of the day, it is still hot out in the early mornings. You will get plenty of water breaks, so please have water to drink during these!

On that note, bring sunscreen, even if you don't think you need it. It's easy to get burned in the summer Florida sun, even if it's cloudy out.

Bring water.

Eat a good breakfast. Without this it can be easy to pass out in the middle of physical activity outside.

Wear comfortable clothes. We will be outside engaging in a good deal of exercise. Wear something that is comfortable to move around in for long periods of time.

You will need a flip folder and lyre to hold your music. These can be purchased at most music stores or online.

Most importantly: BRING WATER. I cannot stress enough how important it is to stay hydrated.
