Great DAY Jean Ribault High Families,

Welcome back to the Jean Ribault High School campus for the 2021- 22 school year. I hope you are enjoying a wonderful summer. I also hope you are relaxed, recharged and ready to start a new school year. As we start the new school year together on **Tuesday, August 10, 2021**, the staff at Jean Ribault High School is looking forward to working with you and your child/children. We are so delighted you are part of our amazing learning community and strongly believe parent involvement is crucial to the success of our students. The education of children is a partnership between home and school

All signs point to another incredible and productive school year. Our skilled and devoted staff will provide high-quality instruction to the child/children every day in every classroom. Our enthusiastic office team is registering new families, ordering needed material and updating student's files as they receive information. As a reminder, please make sure we have updated information on your child/children. Everyone's safety is of grave importance. Our hard -working and conscientious custodians have spent the entire summer thoroughly cleaning the facility.
