

PANDA PAW PRINTS

Paula Smith, Principal

Rachel Naylor, Assistant Principal

A Message From Our Principal:

There are lots of amazing things happening at San Jose! Now that we are nearing the end of the first quarter, we are really taking off to Proficiency and Beyond! We use Blended Learning platforms called i-Ready and Achieve 3000 for 3rd, 4th, and 5th grades. These programs create an individual learning path for each student. At this point, students have completed their baseline testing, and teachers have been able to focus on areas that their students will need additional assistance so that they will accomplish learning gains be proficient at their grade level. We use data and goal setting in every classroom to help students to be successful.
