

Attention Mad Scientists!!!

Friday, October 30, 2020 is
Mad Scientists Day!

Come to school dressed as a MAD SCIENTIST.

(Crazy Hair – glasses/goggles – Lab coat) Use one of dad's shirts as a lab coat or draw on an old T-shirt and make it look like a lab coat (draw a collar, pockets, buttons and even a necktie). To make the day even more exciting, our amazing PTA has goodie bags for all our students.

Brick & Mortar Parents

- Join in the science fun at home!
- (Pre-Activity) Access this link https://youtu.be/Q_-cf3hCdsQ for the extreme bubble recipe and to watch a video with our Lead Scientist, Mr. Olivares, as he has some major science fun with bubbles.
- (Activity) Follow the recipe below and have some bubble fun with your kids at home.
- (Post Activity) Send us some photos of your wacky, mad science!
 - Let us know your thoughts

Duval Homeroom Parents

- Drive-By during the DHR lunch times (10:30-12:30) to pick up student lunches and goodie bags.
- Click on the link above to participate in the fun!
- Parents and students - wear your mad scientist gear, have fun with the bubbles, and send us some wacky science photos!!

Mega-Bubble Formula		
Ingredient	Ratio	Example
Water	6	3 cups
Dish soap	1	½ cup
Glycerin, corn starch, or sugar	½	¼ cup
