# 2024-2025 A/B Day Calendar

As of August 12, 2024

If the district must close schools for a day or more due to hazardous weather, the district will utilize weather days to provide for any lost instructional days. Given the placement of weather days on May 30, June 2 and 3, there is a possibility that the school year could extend past May 29. Should there be no need to use the Weather Days on May 30, June 2 and 3, teacher post-planning days would be moved up to begin on the first available non-instructional day during that week.
