

Accessing Learning Ally

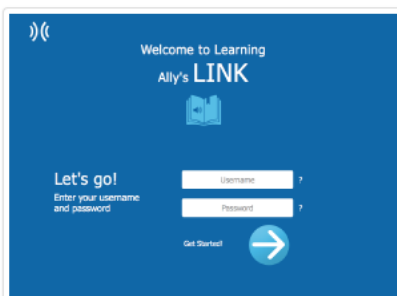

Step By Step directions at <https://teacherally.learningally.org/Devices>

Get your student reading in 3 easy steps

- 1 Download our software. Access is included with your membership

- 2 Ask your student to login.

Your student must login with their username and password to start reading. You can find their login information in Teacher Ally on their Individual Student Report.

- 3 Open a book and start reading!

Learning Ally Audiobooks include:

Text with Highlighting

Our VOICEtext titles highlight and narrate text as your student reads.

Adjust Speed

Your student can adjust the speed of narration to their own pace

Take Charge of their Learning

Your student's account allows them to login at Learning Ally and find titles to add to their bookshelf

Monitor Usage

See audiobook usage of your student from Teacher Ally
