

A REMINDER TO PARENTS OF ALL 6TH GRADE STUDENTS

In addition to compliance with all required immunizations, students entering, attending or transferring to the seventh grade in Florida schools must have the following:

- Tetanus-diphtheria-pertussis (Tdap) vaccine

If your child has already received these immunizations, please provide the school with proof of compliance on a fully completed Florida Certificate of Immunization form (DH 680).

If your child has not received these immunizations, please contact your child's medical provider or a Health Department Immunization Site right away.

Only those students who have documentation of completing immunization requirements or have documentation of a valid medical or religious exemption will be allowed to start 7th grade.

If you do not have a medical provider contact the Health Department (904) 253-1000

Thank you.
