

Reynolds Lane Elementary Summer School Newsletter

Important News and Events

Thank You for a Great School Year!

The faculty and staff of Reynolds Lane would like to thank you for a great school year. This year was filled with lots of milestones. Our staff will work hard this summer to make the 2019-20 school year even better!

What Will Half a Penny Do?

Please support our district's efforts to pass a "half a penny" sales tax to support our building plan. Our kids deserve the best learning environments! The plan includes:

1. Safety and security upgrades at every traditional Duval County Public School.
2. Eliminate over \$1 billion of backlogged maintenance caused by declining state funding and the impact of very old, deteriorating school buildings.
3. Consolidation of very small schools to increase resources for teaching and learning experiences and cut overhead.
4. Build new schools in areas where they are needed and remove as many portables as possible.
5. Provide all students with a learning environment that improves achievement and enables Duval's students to compete academically now, and economically in the future.

Please visit our district's website at <https://www.ourduvalschools.org/> more information and how you can help.

Welcome our New Staff Members

We would like to welcome the following new staff to our school as a part of the Reynolds Lane family:

Reading Coach: Mrs. Deborah Martin
Math Coach: Mrs. Alison Warnock
School Counselor: Mrs. Patricia Yon
Paraprofessional: Mrs. Kiarry Power-Snodgrass

Florida Standards Assessments (FSA) Results Update

Several parents have called to ask when FSA results will arrive. Unfortunately, we do not have the exact date. The State Department of Education usually releases test scores in late June. Regardless of the date, parent score reports are typically sent to schools about a month later.

Early Dismissal Day Change for 2019-20

The Duval County School Board approved a change in our district calendar. Next school year, our early dismissal days will be just one each month with dismissal starting at 1 pm.

Reynolds Lane Elementary is a Uniform School

Reynolds Lane will continue to be a uniform school next school year. We are accepting donations of clean, used uniforms in good condition for our clothes closet. You can bring any donations to the office during office hours.

School Registration Begins

Please encourage your friends and family registration their new students as soon as possible. Early registrations help us to settle class sizes and have a smooth start to our new school year.

Classroom Assignments

We will mail postcards with the name of your child's teacher in late July.

Pick Up Your Report Cards

Parents can pick up report cards at the office during our summer office hours, Monday-Friday 9 am – 4 pm. Please bring a photo ID.
