Important Dates

July 24: Deadline for Registering for Duval Homeroom for the 2020-21 School year

August 10: First Day of School

School Reopening Update

There are three options for elementary students to attend school with Duval County Public Schools this year.

Option 1: In-School

Students attend school five days a week starting on August 10 from 8:30 am – 3 pm. Students new to their school will need to register with that school. Returning students just need to show up to school as usual.

Option 2: Duval Homeroom

This is the same distance learning option that all students used when COVID-19 forced remote, home-based learning in March. This year, Duval Home Room students will participate in live lessons following their school's normal daily class schedule.

Registration for Duval Home Room will run July 14-24. The registration form is available in [FOCUS](#). To register, you will need a parent FOCUS account linked to your children. If you do not have a parent account, you can establish your account and link your children by clicking [here](#). Students choosing this option can also choose to return to their regular school at the end of each grading period or earlier under extenuating circumstances.

Option 3: Duval Virtual Instruction Academy (DVIA)

DVIA is a fully online school the district has operated for 10 years. Students can choose to enroll in DVIA as their regular, full-time school. Students who choose DVIA withdraw from their regular school and switch their enrollment to DVIA. Information about DVIA and enrollment can be found [here](#).

More information on the DCPS Reopening Plan can be found on the district's website at

<https://dcps.duvalschools.org/backtoschool>.

Five Things Parents Should Do

Please review the post [Parents and Guardians: Five things to do](#). This post will lead you through the steps you need to take and decisions all families need to make to be ready for Aug. 10, the first day of school.

Student Orientation

We will have information on student orientation for our in-school students soon. Please note that it will be a virtual orientation.
