Summer 2020 Parent News

A Message from the Principal

Reynolds Lane Elementary Thanks Parents!

Parents, thank you for your support this school year as you assisted us in teaching your children since March.

Last Call for Student Item Pickup

We still have over 100 students who have not picked up their items including awards, backpacks, and other items from this past school year. All items will be disposed or donated to charity if not picked up by Wednesday, July 8.

Fall Reopening Plans!

The hot topic that everyone wants to know is whether and how school will start. We are still waiting on full information from our district leadership. We will share it with you as soon as it becomes available.

New Student Registration for 2020-21 Has Begun!

Please let your friends and family know that we are registering new students to Reynolds Lane. We are especially looking for our new VPK and Kindergarteners! We also have limited openings for students who live outside of our neighborhood area.

Student Orientation Dates

We are working to have virtual student orientation events on Microsoft Teams or another app like GotoMeeting. We will forward that information as soon as the district's plan is finalized.

Accessing your report cards

Report cards from the 2019-20 school year are available on your focus accounts. Information on how to make a focus account can be found:
