

READ USA's FREE Family Summer Reading Book Marketplace Experience

Dear DCPS Title I Elementary School Family,

We are excited to announce a special literacy opportunity! Each **Title I Elementary School student** is eligible to pick **3 FREE BOOKS** from the [READ USA virtual book marketplace](http://www.readusainc.com) to be mailed directly to your home! We hope you enjoy reading together over the summer, as **“Readers are Leaders!”**

Please take the following steps to confirm each student’s **FREE** book choices. Books will be mailed in 1-3 weeks’ time, to enjoy for summer reading and to add to your home library.

Please note: If you have more than one child attending a Title I elementary school, each child will need to complete a separate order. *Please do not let your child checkout with a cart of more than 3 books, as only three books will be mailed.*

- 1) Parents/students, please go to www.readusainc.com/books
