Have the fall sport season dates been changed or altered?
The fall sports season dates have not been changed. These dates can be found on the sport pages.

Have there been any rule changes to any of the fall sports?
FHSAA has sent considerations to member schools for each fall sport.

How will the minimum contest policy for individual student-athletes and teams be affected?
Policy 10 permits schools to request a waiver from the Executive Director if minimum requirements are not met.

How will canceled contests between schools be affected?
If a contest cannot be mutually agreed upon to be canceled by all parties, the matter will be presented to the Executive Director for adjudication (Bylaw 8.4.2.1).

Has the EL02, Preparticipation Physical Exam form, been extended?
This has not been extended. It is state statute for a student-athlete to complete a preparticipation physical exam each year. The exam is valid for one calendar year.

Will there be any considerations provided to the officials?
Yes, the FHSAA Sports Medicine Advisory Committee is working with staff on creating considerations.

How will out of state travel be affected?
Policy 10.2.1 (e) applies to traveling out of state for those teams that participate in the FHSAA state series. A varsity team must not take more than one trip per school year beyond the neighboring states of Alabama, Georgia and Mississippi.
