Update
After Governor Ron DeSantis’ made his announcement mandating schools to continue distance learning for the remainder of the 2019-20 school year, the FHSAA had to cancel all spring sports. It was not an easy decision, but the safety of our student-athletes, coaches, officials, and fans is the top priority. With the evolving threat of the CORONAVIRUS (COVID-19), we must ensure that we do not contribute to the spread of this illness. We are deeply saddened for our student-athletes who have seen their seasons and/or high school careers end so abruptly. We know the impact and role high school athletics play in the lives of so many and will continue to work towards the betterment of high school sports. We know this is a trying time, but the health and safety of all is of utmost importance to our district.

Eligibility
Under the guidance of the Florida Department of Education regarding grade level retention, and upon review of the Florida Statutes and FHSAA Bylaws, no additional eligibility will be granted for spring sport athletes. Senior Student-Athletes
We thank you for dedicating your time and efforts to your school, your coaches, and your teammates. Cherish the memories you have made and embrace all that the future holds for you. While we are saddened that you are unable to compete this season, we could not be more proud to have been represented by such hard-working individuals.

Reminders
We are all eager to reconvene sports in the 2020-21 school year. In the meantime, we strongly encourage everyone to continue adhering to the recommendations of the CDC and your local health departments during this hiatus.
