COVID School Protocol

If your child or a member of your household tests positive for COVID, are awaiting test results or experiencing symptoms of COVID, you need to keep your child home and immediately notify Jeanna Bobbitt and Cecilia Vanhoy, Principal. Our emails are: vanhoyc@duvalschools.org and bobbittj@duvalschools.org. We will provide further direction, and this will also allow us to mark your child as an excused absence. We will also notify the teacher so that she/he can provide work in Teams.

Axson Open House Events will be virtual this year!

Please look out for more information from your child's classroom teacher. Virtual OPEN HOUSE is for **parents** to become more familiar with their child's classroom teacher and expectations.

Change in Morning Drop Off

Axson's first school bell rings at 8:25, which signals when the students enter the classroom.

At 8:30, instruction begins.

Due to the large number of cars this year, our classes were not able to begin on time due to late arrivals.

We made a few changes to our morning arrival that started this past Tuesday, Sept 7th. Please read carefully and adjust your morning routine to ensure your child is on time for school daily!

- Students should not exit cars until the adults on duty in the car line are present to receive your child.
- Students who would like to eat breakfast at school will be received at 8:00am.
- Breakfast students will be directed to the cafeteria.
- If your child does not eat breakfast at school, you will need to drop your child starting at 8:10 through 8:25.
- ONLY Primary students should enter through the front door of building 3. ALL other students in grades 1st-5th should continue to be dropped off in the car zone. Those not following this will be given a gentle reminder the first time.
- At 8:25, the front door of building 3 will be closed.
- At 8:25, cones will be placed preventing you from entering the car loop for drop off.
- After 8:25, you will need to park and walk your child into the office.
- After 8:30, your child will receive a tardy slip when he/she comes through the office.

We are also continually being informed by concerned parents that there are several unsafe drivers creating their own driving lanes on Sutton Park Court. You may not drive toward oncoming traffic to avoid the line. You should also not be cutting through the Landstar private parking lot to avoid the line. Please model appropriate behavior for your child by following traffic laws. A concerned parent has made a request to JSO to write traffic citations for those not following the law.

Resource Teachers

Hello Axson parents!

With the students coming back to resource classes this year, we are hoping to get air filters for the resource classrooms. Since we see all the kids, we are hoping to be able to get some high-quality ones (I'm looking for the Molekule brand Air for the Art Studio). We understand these are expensive, but if you are able and willing to donate some money to resource classrooms, we would be extremely grateful. We want to keep our classrooms as safe as possible for all our students.

Please reach out to us directly if you have any questions or want to donate:
