### COVID-19 Protocol

If your child or a member of your household tests positive for COVID-19, are awaiting test results, or experiencing symptoms of COVID-19, you need to keep your child home and immediately notify Jeanna Bobbitt and Cecilia Vanhoy, Principal. Our emails are: [vanhoyc@duvalschools.org](mailto:vanhoyc@duvalschools.org) and [bobbittj@duvalschools.org](mailto:bobbittj@duvalschools.org). We will provide further direction, and this will also allow us to mark your child's absence as excused. We will also notify the teacher so that she/he can provide work in Teams.

**Health is here at J. Allen Axson**

Hazel Health is a district service that is offered at home and in school. Our Hazel Health trained staff member is Veronica Jones. We are very glad to have her trained and on board to facilitate this new opportunity for families at Axson.

Several flyers are attached to my communication to give more details. In addition, there is a form we are asking all families to fill out. Just click on Sign Up Now. If you are not interested, you can click Opt Out Here and fill out the form to Decline Health Services. If you are interested, you can fill out the form Sign Up form and Submit Consent. Here is the link: <https://my.hazel.co/duvalschools/info>

- Hazel Health is currently free to all DCPS students.
- Students can virtually see a physician both in school and at home via Hazel Health.
- If prescriptions are needed, they can be sent directly to the parent's pharmacy of choice.
- If a child has a Hazel Health visit while at school, a text will be sent to the phone number on file with Hazel Health once the visit is complete with a summary of the visit.
- Children 5 and under must have a parent present for the visit whether at school or at home. Parents can be present via the phone, in person, or they can also log into the hazel health app and join the doctor's visit in real time
