Dear current Axson Families

Please join us in supporting the Kowkabany's, Dugans, and the Hughes families as they coordinate donations for Wolfson Children's Hospital's Childlife Department to honor the memory of former Axson student, Vivian Kowkabany. **This is our 14<sup>th</sup> year of donating to support children in our community** who are undergoing treatment at Wolfson.

Donation barrels will be placed near Ms. Isabelle Queniat's and Ms. Shannon Simon's classrooms, as well as in the front office area.

Toys and crafts are distributed to patients who require longer stays, or are used as much-needed distractions from a variety of treatments and procedures. Patients typically range in age from newborn to older teens. A list of some general guidelines and suggested/preferred items for different ages is attached.

**This year's deadline to donate is Tuesday, March 5<sup>th</sup>.**
