

Greetings Dolphin Family!

It is with great enthusiasm and excitement that I write this letter of introduction as the new Assistant Principal of Brentwood Elementary SOTA. I have been an active educator in Duval County Public Schools for seven years, as a mathematics classroom educator and mathematics coach. I am truly honored to accept this new role and look forward to partnering with Mrs. Jones and our staff to do whatever it takes to advance the achievement of all students on our campus. Working collectively, I am confident that we will continue to provide our students with an enriching school experience.

I understand that the elementary school years are important and critical for students. What happens during these years have a lasting impression on their growth and development. My goal, as Assistant Principal, is to ensure that our students receive the best academic instruction and a safe and respectable learning environment. Ultimately, ensuring that our school will continue to be a place where our students can learn and grow academically and socially.

We are engaging our service to quality education for all students within the Brentwood SOTA family, by making a S.P.L.A.S.H. - We are "Going Deeper" to revitalize School Spirit, Performances (Academically & Performing Arts), Literacy, Applied Sciences, and Higher Order Thinking!

Feel free to stop in and say hello, as my door is always open. If there is anything I can assist you with, please let me know.

Respectfully,

Mrs. Natalya Richie-Graham
