ATHLETICS

ATHLETIC TRAINERS & SPORTS MEDICINE IN OUR SCHOOLS
Presented by: Project 17 Athletic Trainers
A certified Athletic Trainer (AT) is a licensed health care provider. Through Project 17, we now have one in each of our DCPS high schools with sports programs. ATs work with a volunteer team physician, coaches, athletes, and parents. ATs help prevent, treat, rehabilitate, protect, advocate, and more to safely return athletes to peak performance. Learn more in this very informative session.

### CODING: PYTHON 2
**Presented by: Jacksonville Public Library**
We continue to delve into Python in this class, which focuses on the basics of functions. Learn about coding fundamentals such as how to structure functions, use true/false and if/else in your program, and more. We recommend you have good keyboarding and mouse skills to get the most out of this course.
