Health Education

All students receive the state mandated health education instruction.

Teachers utilize the district provided health education instructional materials, including the curriculum guides.

Our school also implements school wide health education events that promote character development, social emotional learning, and community.

Physical Education

All students receive the state mandated minutes of physical education.

Teachers utilize the district provided physical education instructional materials, including the curriculum guides.
Physical education classes have an appropriate teacher to student ratio that aligns with the Master Scheduling Guidelines.

Teacher Directed Physical Education (TDPE) is appropriately provided as required to assist in fulfillment of mandated PE minutes (Elementary Only).

Physical fitness assessments are conducted and reported annually with fidelity.

Our school has adequate equipment to provide quality physical education instruction that aligns with class size.

Our school follows state requirements and guidelines for waiver options as noted in the SPP and Policy Procedures Manual.

Physical Activity

Recess is provided to all elementary students for 20 minutes each day, as required by law.
Employee Wellness

Our school has identified a wellness ambassador, communicated the name to district wellness, and he/she regularly attends district wellness meetings.

Nutrition resources are provided to staff through the wellness ambassador.
