

Middle School Promotion Requirements (6-8)	
To Grade	Course Requirements
7	Successfully complete three or more 6 th grade core courses ^{1,2,3}
8	Successfully complete three or more 7 th grade core courses and recover the core course not passed in 6 th grade, if applicable ^{1,2,3}
9	Successfully complete all four 8 th grade core courses and recover the core course not passed in 7 th grade, if applicable ^{1,2,3}
<p>1. Core courses are language arts, mathematics, science, and social studies.</p> <p>2. Teachers and administrators have an obligation to provide timely intervention so that students may recover courses (core or elective) during the academic year.</p> <p>3. One core course failed and not recovered during the academic year may be recovered during DCPS Summer Education Programs (if available) or during the summer through a private or out-of-county provider <i>to meet course requirements for promotion</i>.</p> <p>Note: A student with a disability who has been grade-adjusted through the ESE Reevaluation Review Team shall be promoted based on the credits earned in the years completed during middle school. Promotion for these students is not dependent on credits for grades missed by the student due to the grade-adjustment.</p>
