

Duval County Public Schools

2021-2022

District Calendar

^If the district must close schools for a day or more due to hazardous weather, the school district will utilize weather day/s to provide for any lost instructional days. Given the placement of weather days on May 31 and June 1, there is a possibility that the school year could extend past May 27th. Should there be no need to use the Weather Days on May 31 and June 1, teacher post-planning days would be moved up to begin on the first available non-instructional day during that week.
