Duval County Public Schools
2023-2024
District Calendar

*If the district must close schools for a day or more due to hazardous weather, the school district will utilize weather day/s to provide for any lost instructional days. Given the placement of weather days on June 3, 4, and 5, there is a possibility that the school year could extend past May 31st. Should there be no need to use the Weather Days on June 3, 4, and 5, teacher post-planning days would be moved up to begin on the first available non-instructional day during that week.*
