National "Water is Life" Wyland Foundation 2013 Mural Art Challenge

The artistic abilities of the Stingray art students stood out on this mural art challenge. ACHS students were awarded second runner up in this competition. You can see their design in the photo gallery above.

ACHS gets the GRADE

Prior to leaving for the holiday break, it was announced that ACHS was graded as an "A" school. This is a great status for a high school that has been opened for only three years. It shows how our students, parents, faculty and staff as well as the community are working together to make strides for academic excellence.
