

Message from the Principal...

Eagles,

As we enter the month of March, we are reminded that Spring is a time for blossoming. Many of the seeds planted previously will flourish at this time. Looking towards the final months of academic preparation, we anticipate growth. We too must be mindful of the hard work required to witness a great harvest. I am asking all Eagles to commit to putting in the work.

Advanced Placement, International Baccalaureate, State and District assessments will all be upon us soon. Tutoring sessions for these assessments will be available to students. I am asking that all parents encourage and support our students in attending as many sessions as possible. Each year students walk away from these assessments knowing that if they had prepared just a little more, they could have earned college credits. Let's agree to work on eliminating this situation. The tutoring schedule for these assessments will be posted in TEAMS and on the school website. When we return from Spring Break, we will have a laser focus on accomplishing our goals.

Spring has brought us blossoming with our PTSA as well. The PTSA continues to engage with our campus and community. The PTSA has scheduled additional Principal Coffee Chats for all grade levels. They have also purchased timbers for a campus beautification effort. Valentine treats for the faculty and staff topped off the previous month. We continue to state, we have the best PTSA in our district.

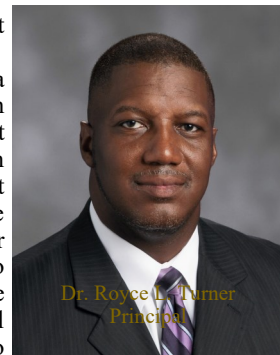

Our School Advisory Council continues to accomplish much. The SAC held the Mid-Year stakeholder meeting this past month and shared academic data with our community. The SAC has also introduced several initiatives to address internal needs within our school.

Parents of seniors are reminded that Spring is a signal that graduation is near. Grad Bash, Prom and senior activities are quickly approaching. You are encouraged to review the senior handout for

pertinent information. This senior document is posted in TEAMS and on our website.

Congratulations are in order to a number of Eagles this month. Benjamin Wondracek was named a National Merit Finalist for 2024. Our Boys Basketball team defeated Bolles to be named District Champions. Congratulations to Jordyn Horne on being named to the BMX Team USA for the Under 16 division. Congratulations to Ryan Brown for winning first place in the Alpha Phi Alpha Fraternity MLK Oratorical contest and \$7000. Congratulations to Kennedy Waymer on being named 1010 XL athlete of the week. Congratulations to Louis Eckels on winning 1st place in district wrestling. Congratulations to our Miss Paxon 2024, Ja'niya Cunningham.

Spring is a time to witness re-emergence. As Eagles we must not allow this season to pass us by without contributing. Attending tutorial sessions, completing Spring Break packets and continuing to be diligent within the classroom will propel us towards our goals. I ask that we all approach this season with Highest Expectations.
