

## 2016-17 Car Rider Pick-Up / Drop-Off

Parents and guardians are asked to follow the below traffic patterns based on the direction of arrival. Stockton has developed this plan with oversight from the district safety team, including members of the Duval County Public School Police Department. The direction of greatest confusion is for cars coming from the south at Long Bow. This route takes you past the car rider drop-off, west on Waverly and joining cars that enter from the north in the car rider wait line down Prince Edward. The district safety team has assured us that this is the most effective pattern for all transportation methods. We ask for your corporation in adhering to below traffic patterns.

### Entering from the South: Long Bow

Proceed on LONG BOW  
Turn on to CARLISLE  
PASS the school and  
Turn left on WAVERLY  
Turn left on MALPAS  
Turn left on PRINCE EDWARD  
Turn left on CARLISLE to get in the turn lane  
DO NOT BLOCK CARLISLE

### Entering from the North: Verona

Proceed to ORTEGA FOREST  
Turn left on ETON  
Turn right on KING RICHARD  
Turn left on WAVERLY  
Turn right on MALPAS  
Turn left on PRINCE EDWARD  
Turn left on CARLISLE to get in the turn lane  
DO NOT BLOCK CARLISLE

### Entering from the North: Ortega Forest

Proceed on Eton  
Turn right on KING RICHARD  
Turn left on WAVERLY  
Turn right on MALPAS  
Turn left on PRINCE EDWARD  
Turn left on CARLISLE to get in the turn lane  
DO NOT BLOCK CARLISLE
