- The next step has two options. This is where you connect your child to your account. If you have more than one child, **you can add all of them during this step**. If at any time you had a PARENT OnCourse account and still know those credentials, you can use that option and avoid going to the school to verify your account.

Duval County Public Schools Acceptable Usage Policy

**DUVAL COUNTY PUBLIC SCHOOLS (DCPS) INFORMATION SECURITY PROGRAM**

**SUBJECT:** ACCEPTABLE USE POLICY (AUP) POLICY NUMBER: 8.71

**PURPOSE/SCOPE:** This establishes the School Board Policy for Acceptable Use of Information Resources and applies to all users of DCPS information resources. Individuals using information resources belonging to DCPS must act in a legal, ethical, responsible, and secure manner, with respect for the rights of others.

The primary purpose of the DCPS network is to assist in preparing students for success in life and work in the 21st century. Computer and/or Electronic networks provide the ability to share educational and research resources from around the world. These resources include but are not limited to, access to instructional/business applications, interactive collaboration between teachers, students and other users, document sharing, and communications of all forms with people from around the world.

Access to computers, computing systems and networks owned by the School Board is a privilege which imposes certain responsibilities and obligations, and which is granted subject to DCPS policies and procedures, Code of Student Conduct, the Code of Ethics of the Education Profession in the State of Florida, and governing laws. These procedures sets forth the principles that govern appropriate use of information resources, and is intended to promote the efficient, ethical and lawful use of these

I have read and accept the "Acceptable Usage Policy".
