DESCRIPTION OF WORK

**List Attachments:**

Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work be performed to meet the standards of all laws regulating construction in this jurisdiction. I understand that a separate permit must be secured for BUILDING, ELECTRICAL, PLUMBING, MECHANICAL, GAS, FIRE PROTECTION, ROOFING, SITE/CIVIL, etc.

**CONTRACTOR AFFIRMATION (Qualifier)**

- I attest the Worker's Compensation information provided to DCPS Code Enforcement is true and correct and that the application is in full compliance with the State of Florida Worker's Compensation Laws.
  - Notice: In addition to the requirements of this permit, there may be additional restrictions applicable to this property that may be found in the Public Records of this County, and there may be additional permits required from other governmental entities such as water management districts, state agencies, or federal agencies.
  - The permit becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced.
  - A permit is a license to proceed with the work identified in the "DCPS Code Enforcement Reviewed Permit Documents" and does not authorize the permit holder to violate, cancel, alter, or set aside any provisions of the technical codes, nor shall issuance of the permit prevent the Building Official from thereafter to require a correction of errors in plans, construction, or violations of the code.
- I HEREBY CERTIFY THAT I HAVE READ AND EXAMINED THIS PERMIT DOCUMENT AND KNOW THE SAME TO BE TRUE AND CORRECT. ALL PROVISIONS OF LAWS AND ORDINANCES GOVERNING THIS TYPE OF WORK WILL BE COMPLIED WITH WHETHER SPECIFIED HEREIN OR NOT.
