

Duval County Public Schools  
**CHOICE OPTION APPLICATION**  
 (Elementary)

During the Special Transfer Option period, parents may request a special transfer for their child(ren) from the neighborhood school to another district school (except dedicated magnet schools). Special Transfer Option seats are determined by lottery and are based upon space availability and Choice Themes. Schools that have magnet waiting lists will accommodate waiting lists before offering transfers to students during the Special Transfer Option period. A placement by Special Transfer Option cannot gain neighborhood or other preference for continuity in any magnet or special program. **Transportation is NOT provided and is the responsibility of the parent/guardian.** Parents will be notified by post card about placement in June.
