Dear Parents,

Creating and maintaining a safe, orderly and nurturing environment is our number one priority. We have developed the following **LEAD Code of Cooperation** that will enable us to create an environment that is safe and conducive for learning.

Learn, loyalty to our school, Respect for others/property  
Excel, Going above and beyond to comply with all rules  
Achieve, Following all expected procedures and encouraging others to as well  
Dream, Self-discipline, Keeping order and safety a priority

There is **zero tolerance** for students being disrespectful to adults, bullying, bringing a weapon or facsimile of a weapon to school, interfering with the learning process of others, and inflicting bodily harm to another student. Breaking any of these rules could result in an automatic Class II consequence that could lead to a suspension. Please read over and discuss with your child the Duval County Public Schools (DCPS) Student Code of Conduct online for a more detailed explanation of our county's discipline policies and rules. If a child is seen by a school administrator more than twice in a week, it will result in an automatic work detail assignment. We set very high expectations for our students and expect only their personal best each and every day.

Children need to know what is expected and the consequences for the choices they make. Please review the following Code of Cooperation with your child. Your signature and your child's signature indicate that you have read, understand, and support the outlined Windy Hill Code of Cooperation and the DCPS Code of Conduct.

We appreciate your support.

Sincerely,

*Calvin Reddick Jr.*
