

## HOW TO ACCESS I-READY

This site will allow your student to access the I-ready website from home. Please contact the teacher via e-mail if you would like a copy of your student's username and password.

Remember this program, is a guided computer application that will allow students to access work that is appropriate to their learning levels. The expectation is that all students complete at least 3 assignments each week during school hours. Students who do not complete the assignment during school hours can access the website from home.
