

# Don Brewer Elementary School

Acceleration in Math

September 19, 2018

Dear Parents and Guardians:

Greetings. This letter is to inform you of an emergency preparedness presentation that will take place on campus in the near future.

We are dedicated to the safety of our schools and have strong measures in place to keep your children safe. This year – as mandated by the Marjory Stoneman Douglas High School Public Safety Act – your child is scheduled to view a video presentation that will teach best practices of how to react to an active shooter incident on school property.

This video was designed specifically for elementary-aged school children and is age-appropriate. Students will learn and practice responses based on the national model promoted by the U.S. Department of Homeland Security.

Your child is important to our school community and we want to do what you deem best for him or her. **If you would prefer that your child not watch this video, please complete and sign the portion below, and return this form to the school by Monday, October 1, 2018.** No action is required if you would like your child to view the video presentation. To help you make an informed decision, we have posted the videos on our website at [www.duvalschools.org/safety](http://www.duvalschools.org/safety).

Ensuring a safe and secure learning environment for your child is our top goal. We thank you for your continued support of our commitment to keep our students, our staff, and our schools safe. Please don't hesitate to contact me if you have **any** questions or concerns.

Sincerely,

Jennifer T. Gray  
Principal

---

I have read the above statement and request that my child **OPT-OUT** of viewing this video.

Child's Name (print) \_\_\_\_\_

Parent/Guardian's Signature \_\_\_\_\_

Date of Signature \_\_\_\_\_

A collaborative learning community dedicated to engaging and empowering students to become responsible and productive life-long learners.
