

Gifted Intensities Inventory

Entrance Slip

Directions: Put a check in the column that most accurately answers each question.	Almost Never	Sometimes	All the time
Are your feelings hurt easily?			
Are you comfortable doing more than one thing at a time?			
Do you want to know the reasons for “rules” (in class, at home, etc.)?			
Does it bother you when peers/others do NOT follow the rules?			
Do you tend to come up with unique solutions to problems?			
Does praise help motivate you?			
Does praise make you feel uncomfortable?			
Do you like to teach yourself and learn on your own?			
Do you like being precise and specific?			
Have you gotten in trouble for correcting someone (a parent, friend, person of authority)?			
Are you bothered by unfairness (it could be to yourself or others)?			
Does it bother you when people don’t understand things as quickly as you do?			
Do you try to manipulate others to get your way, or make bargains to get what you want?			
Do you tend to bristle (stiffen/balk/cringe) at being taught by someone else?			
Do you like words and have a large vocabulary?			
Can you see things/understand things that a lot of other people don’t see?			
Do you have a strong imagination?			
Have you ever read a book and wished you could be a part of that world in the book?			
Do you feel most comfortable when teachers/supervisors clearly define what you have to do?			
Do you prefer to work independently?			
Do you feel some anxiety/stress when there is a last-minute change?			
Do you feel anxious when an assignment/task does not have clear directions and expectations?			
Does it bother you when you feel like time is being wasted?			
Do you like to think in pictures, symbols, and or ideas?			
Do you like competitions and keeping score?			
Does it bother you, or make you feel on edge, when there are loud noises and/or people are being unnecessarily loud?			
Do you prefer creative projects as opposed to writing research papers and essays?			
Do you sometimes get “caught up” and spend a lot of time learning/exploring a certain topic, subject, world, etc?			
Do you wiggle your foot up and down when you talk to read?			
Are you sensitive to the feel of your clothes or your bed sheets and blankets?			
Do certain food smells or textures bother you?			
Do you cry easily and/or are easily embarrassed?
