

I understand that my child, _____, must be potty-trained upon the first day of school. Children are to attend school wearing underwear and appropriate attire. This does not include “pull-up” style training disposable underwear.

Potty-trained children can do the following independently:

- Articulate or act upon the urge to use the restroom;
- Pull down and pull up clothing;
- Clean their bodies using toilet tissue.

Children must use the restroom independently for the entire school day, including Extended Day. J. Allen Axson employees CANNOT and will NOT wipe or assist with dressing after toileting.

If my child has had more than two accidents in a week or three in a month, the teacher will contact me and my child will be given an additional week. If my child has an accident during the next week, my child will be dismissed from the Pre-K program at J. Allen Axson.

Once parents receive a dismissal notice, parents will be given an additional week to arrange childcare.
