

Student Health Questionnaire

The following information is requested by the school nurse to plan an appropriate program for your child's needs in school, should any emergency situation arise. We would appreciate your completion of this form. Please note that:

- **Parent/Guardian is responsible for providing the school with any medication, or equipment that the student will require during the school day.**
- **If an individual school health care plan is indicated, Parent/Guardian is responsible for providing the school health nurse with the necessary medical information.**

Please check with the school's front office to obtain the correct medication and procedure forms.

Part 1. Parent/Guardian to complete during the registration process.
