NOTICE REGARDING GRAND PARK CAREER CENTER

GRAND PARK CAREER CENTER – The Grand Park Career Center currently serves two groups of students. First, Grand Park serves students in need of a disciplinary program designed to serve students who have violated the rules of the Code of Student Conduct. Students continue with their academic courses under an individual study plan and undergo individual and group counseling in an effort to help the students improve their self-concept and modify their behavior. This program is a minimum stay of 45-90 days. Secondly, Grand Park serves students in need of a comprehensive, multifaceted program designed to support students who may have committed a pattern of aggressive behaviors or multiple Level III or IV infractions or exhibited socially maladaptive behavior. This component of the Grand Park program facilitates students to become more successful in school through the imposition of disciplinary options and by using positive approaches to encourage students to change ineffective behavior patterns. This program assignment can be from 90 to 180 academic days.
