Dear Parent or Guardian of 11th and 12th Grade Students,

Taking a college admissions exam, such as ACT and SAT, can be a great way for students to demonstrate how prepared they are for college and career. The ACT and SAT may be used for scholarships, including Bright Futures. These assessments may also be used to demonstrate proficiency on the high school graduation assessments. Eligible students may use a fee waiver for the ACT and SAT.

Fee waivers are available to juniors and seniors who meet at least one of the eligibility indicators below:

- The student's annual family income falls within the Income Eligibility Guidelines set by the United States Department of Agriculture (USDA) Food and Nutrition Service. Please visit <https://www.fns.usda.gov/cn/fr-021622> for Income Eligibility Guidelines.
- The student is enrolled in a federal, state, or local program that aids students from low-income families (such as TRIO programs like Upward Bound).
- The student lives in federally subsidized public housing or a foster home or is homeless.
- The student is a ward of the state or an orphan.

If your student meets one of the indicators described above, please sign this form and have your student return it to their school counselor. Please be advised that fee waiver eligibility may be subject to audit by the district, ACT, Inc., and/or College Board.

I acknowledge my student qualifies for Fee Waivers:
