# Special Programs & Acceleration Options

Please check the “Course Selection” page of the School Counseling website for additional information on the following programs and acceleration options:

- 1 Advanced Placement
- 2 Certified Technical Education (CTE) Academies
- 3 CTE Dual Enrollment
- 4 Traditional Dual Enrollment
- 5 Early Admission

# Sandalwood Acceleration Options

## Advanced Placement

AP Courses are college-level courses with a final exam which allows students to earn college-credit based on student testing performance.

## Certified Technical Education (CTE) Academies

Courses which allow students to earn industry certifications through technology, building & construction, engineering, or culinary.

## CTE Dual Enrollment

Eligible juniors and seniors are eligible to participate in FSCJ's Mechatronics Technical Certificate program. Within this program, students will be prepared to begin careers in robotics, hydraulics, welding, advanced machining and industrial electronics.

\* Note: Students must meet and maintain certain requirements for each acceleration option available.

# Sandalwood Acceleration Options

## Traditional Dual Enrollment

Sandalwood offers on-site Dual Enrollment courses through partnerships with two different institutions: Florida State College at Jacksonville (FSCJ) and Edward Waters University (EWU) - Eligible students may take no more than 3 total Dual Enrollment courses a semester, including up to 2 off-site courses on the FSCJ South campus.

## Early Admission

Students in this program complete their entire senior year at the FSCJ South campus and do not take any courses at the high school site. They are expected to take a minimum of 12 credit hours each semester, with a maximum allowable enrollment of 14 credit hours. Students taking advantage of both Traditional Dual Enrollment and Early Admission can earn enough credits to be within one semester of an Associate of Arts Degree.

\* Note: Students must meet and maintain certain requirements for each acceleration option available.
