

Students, Get On The Path To Success!

Are you a student that...

- is in the 6th-9th grade in a Duval County Public School
- has a 2.0 or higher GPA
- is low-income based on the USDA federal guidelines
- is willing to meet with a volunteer mentor once a week at school
- has good attendance at school and behavior wants to go to college?

Take Stock in Children will provide:

- a screened and trained caring mentor
- in-school support through a College Success Coach providing academic resources for college readiness
- college and career workshops and educational opportunities
- a 60 credit-hour tuition scholarship for college
