

MANDARIN MIDDLE SCHOOL

5100 Hood Road | Jacksonville, FL 32257 | (904) 292-0555 | (904) 260-5415 School Counseling Fax

Dear Prospective Business Partner:

Mandarin Middle School is making great strides toward student success. In doing so, we are asking all community stakeholders to assist us in helping students reach their highest level of achievement. We are looking to create business partnerships with local businesses to enable us to reach our goal of becoming an "A" school.

As a business partner, there are several ways that you can positively influence the success of teaching and learning in our school. Through a partnership, partners may:

- Provide incentives to motivate student achievement
- Reward instructional personnel for their dedication to students and the community
- Share knowledge of real-life business experience with students
- Assist the school in raising funds or making donations to enable the school to reach academic, technological, or rejuvenation goals
- Participate in a mentoring/tutoring program

Your participation as a business partner will influence students, your future employees, and leaders in the community. Partners find it a rewarding way to prepare students for tomorrow. Students learn that the community holds education in high regard and cares about their success and future.

Whether you are a small business or a major corporation, we need you. Mandarin Middle School invites you to invest in our students, our community, and our future. If you are interested in forming a partnership with Mandarin Middle School, or need more information on our partnership program, please contact our School Business Partnership Liaison Ms. Duarte at hayesj1@duvalschools.org or call 904-292-0555.

Thank you for your time! We look forward to partnering with you soon!

Sincerely,

Julie Humphreys
