

24/7 On Demand Tutoring

Need help with a homework problem? We've all been there. Get the support you need anytime from an expert tutor.

Step 1: Submit your request

Select your subject and submit your question. Connect with a tutor in 5 minutes or less. Support is available in English and Spanish.

Step 2: Problem solved

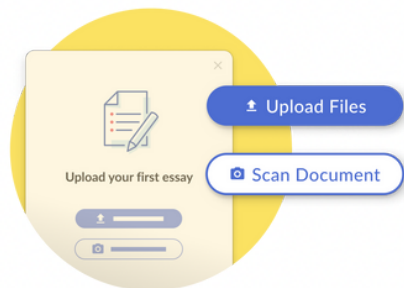

Instantly work out your problem via chat or with our collaborative chat whiteboard for easy 2-way communication and explanation.

Go to your blended learning platform and select the Varsity Tutors icon.

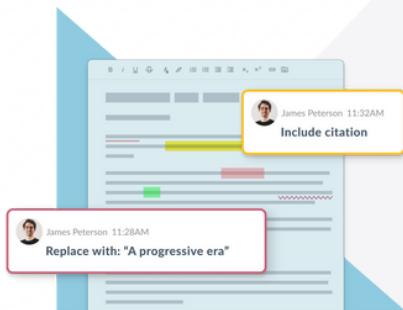

Essay Review

Submit your essay draft, short answer, or writing sample and have expert writing tutors provide grammar, sentence structure, writing flow comments and feedback within 48 hours. Includes a 3rd-party automated plagiarism check so students can feel confident handing in the final result.

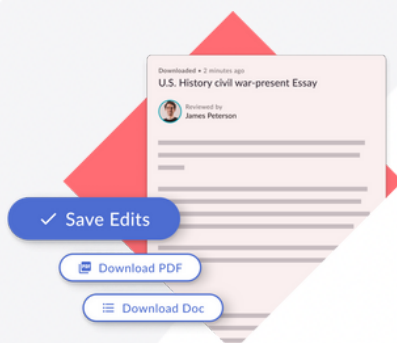

1. Upload your writing

Upload your paper or essay draft (PDF, .doc, or .docx), provide information about the assignment, and submit it to a tutor for review.

2. Tutor review

Tutors will send feedback within 48 hours. Students receive a notification when review is complete.

3. Revise and save

Read comments, accept or dismiss suggestions, and download a copy once you're happy with the document.

Go to your blended learning platform and select the Varsity Tutors icon.
